We have been retained officially by the Jamaica Tourist Board for a three month period to handle tourism in the United States and Canada directed towards Jamaica.

The current arrangement, which is only for three months, needs to be renewed on a longer term basis following the ninety day period. Our financial arrangement is that we will be billing this client on the basis of time, but we probably will not be paid until the three month period is over. The government apparently has difficulty meeting its immediate cash needs, and they have requested that we give them credit for this ninety day period.

Expenses, on the other hand, will be submitted monthly and it is expected that the bills for out-of-pocket expenses will be paid immediately.

It is my impression that this "contract" which was related to me verbally by John Gentles, Director of Tourism, Jamaica Tourist Board, is something that should be reported to the U.S. Department of Justice as soon as possible. The account is being supervised by me. Bob Bagar is the key man with Byron Reimus and other staff people playing the major roles. We will also have some work out of Chicago, Toronto and elsewhere.

I am also anxious as soon as possible to set up an interim Jamaica office, if we can get it off the ground. I have a man in mind who will be exactly right for the purpose. He is a Jamaican and extremely capable in this regard.
